Ike And Guests Inspect Cattle On Adams Farm

President Eisenhower spent several hours of relaxation at his Adams County farm Saturday arriving shortly after 10 o'clock in the morning and returning at 3:06 o'clock in the afternoon, both trips by plane.

At 11 o'clock Saturday morning the reporters and photographers were invited to the farm to accompany the President on tour of the premises, primarily to inspect the large herd of Black Angus cattle in pasture there.

Before the tour Press Secretary James C. Hagerty invited the reporters into the security room at the farm where he informed them of President Eisenhower's reply to the invitation from Switzerland to a five-power conference in Geneva.

Hagerty arranged for three telephone connections to the Associated Press, United Press and International News Service in Washington to "stand by for a news story." He then read the message President Eisenhower sent. The three reporters, each given an ever "break," picked up their phone and started dictating their piece for service to their member newspapers.

Eisenhower's Message

"His Excellency, Markus Feldman, President of the Swiss Confederation, Berne, Switzerland. Dear Mr. President, The Federal Council's suggestion for a meeting in Switzerland of the five chiefs of government has received urgent and sympathetic consideration here. I appreciate the sincerity of the Swiss proposal and share the concern for the preservation of peace which inspired it. However, the United Nations is actively seized with the various problems posing a threat to world peace and I believe that the interest of all will be best served by carrying the initiatives through to a successful conclusion. Sincerely, Dwight D. Eisenhower."

Then followed the tour of the farm. Mr. Eisenhower wore a brown (Continued On Page 6)

40th Anniversary Of Ag Work To Be Noted

Twenty or more countians will appear in skits depicting highlights of the 40-year history of the Adams County Agricultural Extension Association at a special program Wednesday evening in the grade Biglerville. The program, titled "Forty Years of Agriculture in Adams County," will begin at 8 o'clock.

The 40-year span begins with a meeting in the office of the county superintendent of schools in 1916, when a temporary organization was set up with the late Robert M. Eldon chosen as temporary president. F. P. Weaver of State College spoke at that meeting on the agricultural extension program carried on by Penn State College.

County Farm Agent Frank S. Zettie has invited the public to attend the anniversary observance.

MISS GASTON PLEASES LARGE CONCERT CROWD

With a repertoire ranging from a Mozart aria to an American folk song, Philippine-born Conchita Gaston delighted an audience of nine hundred members of the Gettysburg Concert Association in its first concert of the season in Christ Chapel, college campus, Sunday evening.

The brunette mezzo soprano, whose great-grandfather, a Frenchman from Normandy, introduced the growing of sugar-cane in the Philippines, was accompanied by Magdalena Ledesma, a young Philippine pianist whose father and sister are composers. Both wore the mestiza a traditional costume of the Philippines noted for "butterfly sleeves." The gowns are woven by hand with gossamer thread from the fiber of the pineapple plants from Panay. Miss Gaston wore an ice green gown fashioned with flowers in gold thread and Miss Ledesma wore a white and gold gown.

Miss Gaston, who seemed equally at home in the French, German, Spanish, English and Italian tongues as in her native language, was recalled for four encores. She interspersed the four seasons of Landon Ronald's "A Cycle of Life," under the titles, "Down in the Forest," (spring), "Love, I Have Won You," (summer), "The Winds Are Calling," (autumn), and "Drift Down, Drift Down," (winter).

Sings Folk Songs

She sang the following international folk songs: "In mezzo al mar" (In the Middle of the Sea), Italian; "La Jardiniere du Roi" (The Gardener of the King), French; "Mein Madel hat Ethen Rosenmund" (My Girl Has Red-Rose Lips), German and the ever-popular American selection, "Old Folks at Home." From her own country the soloist offered a group of songs arranged by her accompanist. They were "Ahay Alibangbang!" (Oh Butterfly!), "Bahay Kubo" (My Nipa Hut), "Dandansoy" (A Lullaby) and "Leron-Leron Sinta" (Love Is a Plaything). Miss Gaston explained that "Ahay Alibangbang" is the song of the hibiscus flower to the butterfly and that "Leron-Leron Sinta" says that "it is very easy" (Continued On Page 6)

U.N. Faces War Threats In Hungary And Middle East

By WILLIAM N. OATIS
UNITED NATIONS, N. Y. (AP) — The crises in Hungary and the Middle East were the two main issues before the U. N. General Assembly as it gathered for the opening today of its 1956 regular session.

Soviet military action against Hungarian rebels and the British-French and Israeli invasions of Egypt topped a list of 73 subjects awaiting Assembly debate at the 11th annual three-month sitting, perhaps the most crucial in U.N. history.

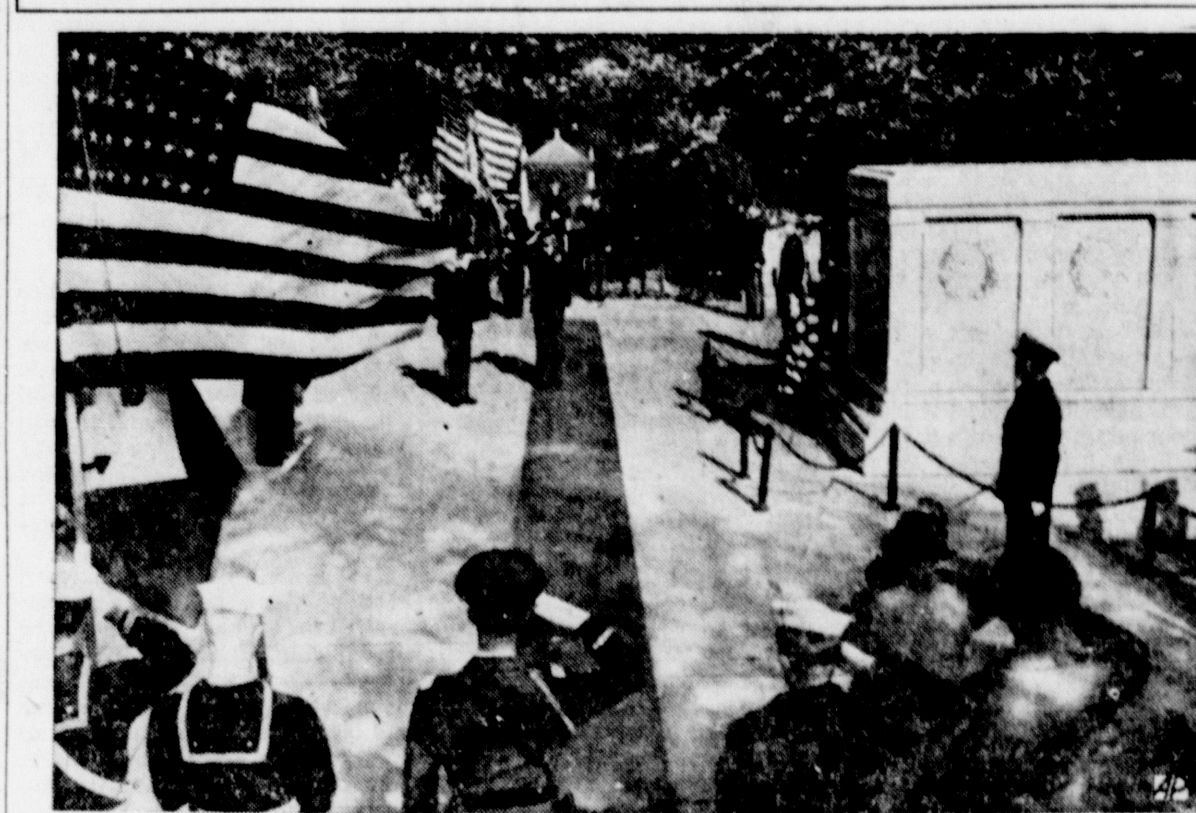

The Assembly stood ready to take up either crisis whenever Secretary General Dag Hammarskjold could report success or failure in his attempts to get U. N. observers into Hungary and a U. N. cease-fire police force into Egypt.

Expect China Bid

Admission of three new U. N. members and the annual Soviet bid to seat Communist China were expected at the opening meeting this afternoon. Morocco, Sudan and Tunisia, already recommended by the Security Council for entry into the U. N., were deemed certain to get the necessary two-thirds vote of approval in the Assembly. This would raise U. N. membership to 79.

FIVE HURT IN 3 CRASHES; \$1,255 DAMAGE

Damage totaled \$1,255 and five persons received minor injuries in three accidents investigated by state police over the weekend.

Damage was estimated at \$800 Saturday evening at 5 o'clock on the Hanover-Gettysburg Rd. near Bonneauville when a car driven by Earl Gebhart, 35, Gettysburg R. 5, veered across the highway and struck a utility pole. Gebhart, who was uninjured in the crash, lost control of his vehicle when another car approached, according to state police.

Charles Jones, 30, Barnesville S. C., a negro fruit worker in the upper section of the county, suffered contusions of the chest when his car left the Brysonia road three miles north of Arendtsville at a curve and overturned. Damage to the car was estimated at \$200. Jones was removed to the Warner Hospital by a passing motorist.

Crash On Saturday

Four persons were hurt, and damage was estimated at \$255 in a three vehicle crash at Idaville Saturday morning.

State police said Janice L. Nell, 18, Dillsburg R. 1, was headed north on the road leading from Peach Glen to Idaville. She halted for the stop sign at Biglerville Rd. and was struck by a car being driven toward Biglerville by Charles W. Dupert, Ickesburg R. 1, police said. The two vehicles then bumped a truck operated by Arthur L. Starnes, 51, Gardners R. 2, which had halted at the stop sign at the other side of the intersection. Damage to the truck was estimated at \$5.

Injured were Florence N. Dupert, wife of the driver of the Ickesburg car, who had lacerations of the knee and forehead; Anna Wentz, 28, Ickesburg R. D.; who had lacerations of the knees and Cora Spicher, 50, Ickesburg, who had a sprained ankle. They were all treated by Dr. William Flickinger of York Springs. Miss Nell, the driver of one of the cars, had a cut of the left thumb and received treatment later from a family physician. Investigation continued on all three accidents.

MAN WOUNDED; TWO ARE JAILED

Walter Dixon, 46, Biglerville R. 1, and Philadelphia, an itinerant fruit harvester, was in the Warner Hospital today suffering from a cut at the base of the head.

State police arrested Raymond Williams, 42, Biglerville R. 1, formerly of Alabama, another itinerant worker, on a charge of aggravated assault and battery before Justice of the Peace John H. Basehor. He was placed in jail following the wounding of Dixon Sunday night.

Dixon claimed he was stabbed by a knife. Williams told police he had struck Dixon with a bottle during an argument at the workers' home on the Harold Taylor fruit farm near Brysonia. The wounding occurred about 3:30 o'clock Sunday afternoon and Dixon who lost a great deal of blood, according to police, was brought to the hospital (Continued On Page 2)

UNITED NATIONS, N. Y. (AP) — Secretary General Dag Hammarskjold announced today agreement had been reached with Egypt for the entry of the U. N. police force immediately. He said the first group would arrive there early this week.

Hammarskjold said he himself would leave by plane for Cairo tomorrow to be on hand for detailed discussions with the Egyptian government. He said he expected to reach the Egyptian capital Thursday and return to New York by Sunday.

PHILADELPHIA (AP) — The State Supreme Court, saying that "it may seem unfortunate" to sanction exclusion of children from a private school because of race, creed or color, today upheld a will limiting enrollment in Girard College to fatherless, white boys.

Chief Justice Horace Stern, who wrote the majority opinion—one of the six justices dissented—said "it is one of our most fundamental legal principles that an individual has the right to dispose of his own property by gift or will as he sees fit."

The appeal to the state's highest tribunal came from Philadelphia's Orphans Court which had upheld the will of Stephen Girard.

GERMAN YOUTHS MEET PRESIDENT

For two young German ministers, Saturday afternoon was a milestone in their stay in the United States.

Revs. Wolfram Zoller and Kurt Werner, here since September for graduate study at the Gettysburg Lutheran Theological Seminary, had the opportunity to meet President Dwight D. Eisenhower as he was about to leave Gettysburg by plane.

The young ministers had been invited for a drive to see the countryside by Seminarian Robert Rohrbach. They saw the Presidential plane at the airport and drove there where they met Colonel Draper, the Presidential pilot, who had served in Germany and the group had a pleasant visit.

When President Eisenhower arrived, the two asked Col. Draper to extend their congratulations to the President on his re-election.

When the President stepped out of his car, Col. Draper spoke a few words to him, then motioned the young Germans to come to the plane. There the President shook hands with them and told the youths he had also been congratulated by President Adenauer of Germany.

Hungarians Hold Factory Against Might Of Russians

By WILLIAM L. RYAN

VIENNA (AP) — The overwhelming power of Russia's huge military machine moved relentlessly today against the last pockets of Hungarian national resistance.

The only major pocket left inside ruined Budapest was at Csepel Island, site of the nation's biggest industrial complex. Workers barricaded themselves in one of the big Danube island factories and continued to beat off determined attacks by Soviet armor.

Other pockets still held out in the Budapest suburb of Ujpest, in Dunapentele (Stalinvaros), south of the Csepel Island area, and at Pecs, near the Yugoslav border. Occasional shooting also broke out in Gyoder province, especially along the roads leading to Austria, and in the Vac area north of Budapest.

Fight Cold, Hunger

The last-stand rebels also fought cold, hunger and despair. The puppet Premier installed by the Russians, Janos Kadar, admitted in a speech over Budapest radio that groups of rebels still were holding out in cellars by

Burns Flies To Egypt To Talk To Police Forces In Canal Area

LONDON (AP) — The commander of the U. N. Middle East police force flew to Cairo today for talks which may determine whether and when the shaky cease-fire in Egypt can be made permanent. Canadian Maj. Gen. E. L. M. Burns said he hoped to conclude his talks with Egyptian President Nasser "in a few days."

Although there was no official Egyptian comment, skimpy reports by Cairo radio made clear that major snags must be removed before Nasser would let the 17-nation police force, now assembling in Italy, take up positions in the troubled area.

As Burns flew into Cairo from Israel, the effects of last week's British - French invasion of the Suez Canal zone continued to reverberate around the world.

Both Russia and Communist China issued new threats to send "volunteers" to help Egypt throw out the British and French "aggressors."

Arabs Hold Secret Meet

At Beirut, the heads of five Arab states met in a top-secret parley to discuss the whole Middle East situation.

Reports said the leaders of Iraq, Jordan, Syria, Lebanon and Saudi Arabia would discuss not only the British - French invasion but the threat posed by the rapid spread of Communist influence in the area.

In New Delhi, Indian Prime Minister Nehru met with the prime minister of Burma, Indonesia and Ceylon to discuss both the Middle East and Russian repression in Hungary.

Both India and Ceylon are Asian members of the British Commonwealth, which has been split by the British invasion of Egypt.

The biggest single snag to the entrance of the U. N. police force into Egypt appeared to be the question of where they would be stationed.

the human race since the fall of Adam. . . The books therefore which tell us of these ancient covenants between God and men were all fulfilled and superseded by the New and final testament which was established and founded by Our Lord Himself.

"The first books of the Bible, Genesis, Exodus, Leviticus, Deuteronomy and Numbers, were written by Moses who lived about 1,400 years before Christ. The last book of the Bible is the Apocalypse of St. John written in the year 96 after the birth of Christ. So the composition of the Bible took 1,500 years.

Observing that "Catholics believe some things that are not in the Bible and they have some devotions that are not in the Bible," Msgr. O'Donnell added, "Catholics believe the first source of faith is the Church which Christ founded. Our Lord organized a visible society of men to perpetuate His mission of teaching and sanctification to the end of time. . . . Thus He said, 'I will be with you all days even to the consummation of the world, and I will send the Paraclete, the Holy Spirit, who will recall all things to your mind whatsoever I have commanded you and the gates of hell will not prevail against you. In those words it is evident that Christ founded, commissioned and guaranteed a visible society of men who were to continue to instruct men in His Name."

By His authority. It was by means of this visible Church, founded by Christ that the Christian faith was preached and believed in even before the first book of the New Testament was written."

Describing the various translations of the Bible and the exhortations of the Catholic church that all should read the Bible, Msgr. O'Donnell concluded: "A man well grounded in the testimony of the Scriptures is the bulwark of the church. For after all, the One we learn to know and to love in the Bible is the One we hope to live with forever."

Msgr. O'Donnell was introduced by Rev. Fr. Alexis Arnoldi, assistant pastor of St. Francis Xavier Catholic Church.

brought these figures, and said the wounded numbered 50,000, Russians and Hungarians.

Hospitals were so crowded that litters carrying the wounded were directed to cellars and garrets, all crammed with suffering humanity. In the Petofi Hospital, one of Hungary's largest, doctors have been operating for two days without the aid of drugs. The wounded are dying in great numbers because of the lack of antibiotics.

The first intoxicating taste of victory and freedom for the Hungarians a week ago has turned to crushing defeat at the hands of 13 Russian divisions, an estimated 200,000 men.

Asks Chairmen To Watch Ballot Count

HARRISBURG (AP) — The Republican State Committee wants its county chairmen to attend the official count of absentee ballots at county courthouses starting Friday.

The request was made over the weekend in a telegram to all GOP chairmen by Sen. William Z. Scott (R-Carbon), counsel for the state committee, who said the GOP leadership was hopeful the military ballots might change the result of the U. S. Senatorial vote in Pennsylvania.

President Eisenhower carried the state by an unofficial margin of 580,000 votes last Tuesday but U. S. Sen. James H. Duff lost out in his bid for re-election to Democrat Joseph S. Clark by about 17,000 votes.

Supersecret Plane Gets Initial Test

FORT WORTH, Tex. (AP) — The United States' first supersonic bomber, the B58 Hustler, made its initial flight here yesterday and the test pilot said the 38-minute hop was "very satisfying."

B. A. Erickson, chief test pilot for Convair, which built the delta-wing, supersecret plane, described the flight as a "reined-in demonstration."

The Air Force, in its announcement at Washington, did not disclose whether the bomber actually exceeded the speed of sound, which varies between 760 m.p.h. at sea level and 670 m.p.h. at 35,000 feet.

10 days of emergency session just concluded Saturday—produced an abridgment of normal procedure for the regular session.

Normally, an item must be listed on the provisional agenda, voted onto the regular agenda by a majority, and be considered at length in committee before it reaches the Assembly floor for final action.

"Matters Of Priority" Instead the emergency Assembly voted to pass Hungary and the Middle East on to the regular session as "matters of priority," to be taken up without reference to committee whenever such speedy action seemed called for.

Hammarskjold pressed the Soviet-backed government of Hungary, meanwhile, to let the U. N. send observers and relief into the country.

He sent a message Saturday asking information on medical supplies, food and clothing needed from abroad. He said he wanted to "discuss with the Hungarian government the best means of providing the assistance required."

The Gettysburg Times

ONE HUNDRED YEARS AGO

Gettysburg: This Number (November 10) commences the fifty-seventh year of the "Adams Sentinel" — it having been established in November, 1800 by the father of the present Editor, and has been a family affair ever since — a fact which but few papers can record. Thanks to the generous support of the citizens of Adams, it has survived during this long period, and is now flourishing in all the energy of a youthful vigor. It possesses the confidence of the people, and receives a cordial and unsolicited patronage, which has been steadily on the increase, and which incites the Editor to renewed efforts to enhance its interest.

The turmoil of political battle is now over, and we shall give undivided attention to render the columns of the "Sentinel" attractive to our many readers — and we hope to add more names to our list, of such as desire to render the winter evenings pleasant by the perusal of interesting and instructive matter. We, therefore, enter upon a year, cheered and animated by the approval of an intelligent community.

Burglary: On Friday night last, the house of Mr. Wm. Homan, near this place, was entered by some villain, and boots and shoes to the amount of probably \$20 taken. There is no trace of the burglars.

Distressing: A child of Mr. Samuel J. Little, of this place, aged about thirteen months, came to its death in the most shocking manner on Saturday week. The child, it seems, being left alone in the kitchen, during a momentary absence of its mother, was playing with the fire, which in some way communicated to its dress. The cries of the little sufferer soon brought assistance, but, alas! too late. A few lingering hours of suffering, and then it died! — Star

Today's Talk 3-WAY BATTLE IS LOOMING IN STATE SENATE

THE CHOICE OF THOUGHTS

Our most precious possession is our thoughts. Every single day, and throughout life, these thoughts are what render back to us genuine happiness, good health, and long life, else we live out a blank. How important that all of these thoughts are of an uplifting type. Thoughts all wrapped up in worries, resentments, and personal disappointments send their bad effects all through the physical body.

Happy thoughts, constructive thoughts, and thoughts that center upon wholesome living are the ones that drive out the unhappy thoughts and create the habit of wholesome thinking and a love for all that is fine and beautiful. There is no question but that our thoughts have a greater influence on what we are and what we do than anything else. As a man thinketh in his heart, so is he. We are tagged with our thoughts.

The reading of great books is a wonderful and useful habit. They stir the entire mind and their effect is to keep you in a wonderful world of men and women who have contributed from their rich experiences. Recently I listened to a most inspiring talk by Bishop Fulton J. Sheen on Lenin and he pointed to a collection of books on this noted character, some dozen or so, and said that he had read them all! No wonder his talk was so interesting and effective. The subject overflowed from his mind.

No dictator can smother the thoughts of people. Thoughts are the freest gift that our Creator has bequeathed to us all. We can have them at any time of the day or night. But to keep them fresh and useful we should keep renewing our interest in them, and feed them with the contents of great books, and the conversation of interesting thinkers.

Tomorrow Mr. Adams will talk on the subject: "Blame No One!"

BUNK
The man who says: "How well you look!"

I sometimes think is kidding me. I often doubt the man who cries: "Well, you're really glad to see."

A jollier I think the man who tells me I'm his favorite bird.

But I believe the man who says: "I really think you work too hard."

When one comes in with words of praise

I wonder what he has to sell.

I question in all sorts of ways

The little nice things people tell.

I've little time for pleasantries

By word of mouth or postal card.

But I am sure the man is right

Who tells me that I work too hard.

Of all the bunk that floats about—

And there is plenty of it, too,

I must admit there is a line

I fall for just the same as you.

One gag will get me every time;

I take it by the foot or yard.

I really like it when I'm told

That some one thinks I work too hard.

3-WAY BATTLE IS LOOMING IN STATE SENATE

By LEONARD A. UNGER

HARRISBURG (AP)—A three-way battle among Republicans may be shaping up in organizing the House and Senate next Jan. 1.

The posts of Senate president pro tempore and speaker of the House both will go to the GOP by virtue of their election victories last week.

Sen. M. Harvey Taylor (R-Dauphin) led the list of candidates for another term as Senate president pro tempore. Taylor, 80, was re-elected to his fifth term in the upper branch.

Sen. James S. Berger (R-Potter), who sought to keep Taylor from the presiding officer's job two years ago, and Sen. George B. Stevenson (R-Clinton) were mentioned as possible Taylor opponents.

Taylor Faces Fight

Taylor, long an ally of defeated U. S. Sen. James H. Duff, will have to sell his candidacy to the GOP faction headed by G. Mason Owlett, former Republican national committeeman and a party to Berger's 1955 push.

Should Berger reopen the fight with Taylor then Stevenson, chairman of the General Assembly's Local Government Commission, could become a compromise candidate.

Taylor has declined to indicate if he would seek his seventh two-year term in the post while Berger said last night the decision will rest "entirely with the members of the Senate."

Sen. Rowland B. Mahany, Senate republican floor leader, was expected to have no opposition to that post he held in both the 1953 and 1955 sessions.

Senate Post Open

The election of G. Harold Watkins, Frackville, to the State Superior Court will leave open the \$9,000 a year post of Senate secretary. Sen. G. Graybill Diehm (R-Lancaster), whose term expires Nov. 30 after he declined to run again for the Senate, may be a candidate for the secretary's job.

On the Democratic side, Sen. John H. Dent (D-Westmoreland) should have no difficulty resuming his long-standing floor leadership.

The defeat of Sen. John J. Haluska (D-Cambria), however, leaves a vacancy for Democratic caucus chairman.

In the House, the names of Reps. Albert W. Johnson (R-McKean), W. Stuart Helm (R-Armstrong) and Norman Wood (R-Lancaster) entered into speculation as candidates for speaker.

Rep. H. G. Andrews (D-Cambria) must step down from the speakership because Democrats lost control of the House to the GOP.

OTTO JOHN IS ON TRIAL TODAY IN KARLSRUHE

By HANNS NEUBERGER

KARLSRUHE, Germany (AP)—Otto John, West Germany's former intelligence chief who defected to the Communists and then fled back to the West, went on trial for treason today.

The 47-year-old John, sometimes called the "Man With the Thousand Secrets," was brought into the Supreme Court after nearly a year in prison.

The opening day of the trial was devoted largely to reading of the lengthy charges. With about 100 witnesses to be heard, the trial before five red-robed judges was expected to last a month.

Accused Of Baring Secrets

Since West Germany has no death penalty, life imprisonment is the maximum fate the double turncoat faces. But few West Germans expected such a severe penalty if John were convicted.

John is accused of baring state secrets and denouncing agents of his intelligence office to the Soviets after he crossed into East Berlin on the night of July 20, 1954. He returned 17 months later with the help of a Danish newspaper correspondent and claimed

FOREIGN AID IS BIGGEST ISSUE FOR U.S. IN 1957

By JAMES MARLOW

Associated Press News Analyst
WASHINGTON (AP)—One of President Eisenhower's biggest problems in 1957 will be foreign aid. How much and for whom? The turmoil in Eastern Europe and the Middle East has heads spinning here.

Congress, increasingly critical, this year chopped a billion dollars off the foreign aid Eisenhower asked. What it does next year depends on the whole uncertain world picture.

It is perhaps the most confused picture faced by an American president since the aid program began.

Since July 1, 1945, this government has shovelled out more than 31 billion dollars, over 14½ billions of it military.

The purpose under Presidents Truman and Eisenhower has been plain enough: to bolster allies, win friends, and help the neutrals and underdeveloped countries for whom the Communists are bidding hard.

Mood Of Congress

But this year the critical mood in Congress showed itself in several ways:

1. Besides cutting a billion dollars off the \$4,759,975,000 Eisenhower asked, Congress banned use of the new funds for military aid to Yugoslavia, although aid funds allotted from previous years still could be used.

2. A Senate committee, a House committee and a special committee appointed by Eisenhower are all now busy investigating foreign aid and will be for months.

Both Truman and Eisenhower thought it money well spent to help Yugoslavia which, although still Communist, broke away from Russia.

he was drugged and abducted to the East.

John was head of the Federal Office for the Protection of the Constitution, a domestic intelligence agency which spent two million dollars a year to combat Communist and neo-Nazi subversive activities.

The biggest question facing the court was what motivated John in his dash across the border. Both prosecution and defense told news-men before the trial opened that they were particularly interested in the psychological aspects of the case.

sian control. Congress choked on the idea but still voted economic and military aid until this year.

Then it said no new military aid. Sen. Knowland (R-Calif.), Senate Republican leader, led this fight. He argued that aid to a Communist dictatorship is "disruptive to our whole foreign policy."

May Encourage Breaks

Eisenhower thought otherwise. He, like Truman, felt that helping one satellite which broke with Moscow might encourage others to do the same. He still thinks so. And Congress may have to wrestle with this idea all over again.

On Oct. 24, after Poland appeared to have broken at least a little away from Moscow, Eisenhower indicated American readiness to help the Poles or any other satellite people who asserted independence of Moscow and wanted American aid. Right now it isn't clear just how much of a break Poland made.

For a while it also seemed the Hungarians had not only cut loose from Moscow but had overthrown their Communist masters. Then the Russians moved in and slaughtered them. But before this happened Eisenhower offered the Hungarians 20 million dollars in food and other supplies.

HOMECOMING SERVICE HELD BY METHODISTS

The annual Homecoming services were held in Centenary Methodist Church on Sunday. The community's annual Veterans' Day worship was also held in connection with the evening service, when members of the Ocker-Snyder Post 321, American Legion and the Mason and Dixon Memorial Post 6954, Veterans of Foreign Wars and their Ladies' Auxiliaries were present.

The Rev. Victor K. Meredith, Gettysburg, was guest speaker at the 7:30 p.m. service, and spoke of the "necessary faith and hope which must remain steadfast in the troubled times of the world today." The son and daughter of Mr. and Mrs. Vernon Swain sang several selections a cappella. The Swain children appear on the Washington, D. C. television program "Hand To Heaven."

The Rev. Grant E. Hoopert, Littlestown, pastor at Centenary Church in 1947 and 1948, delivered the sermon at the 10:30 a.m. service.

The Rev. Mr. Hoopert used as his theme "Christian Love." The pastor, the Rev. Joseph Wood, presided at the Homecoming services. A special offering was received toward the \$1,500 goal for the "current improvement fund." A generous response was rendered toward the goal, but the fund will be continued.

A white elephant party will be featured at the November meeting of the Woman's Society of Christian Service of Centenary Church, Tuesday, 7:30 p.m., at the church. Hostesses will be Mrs. Bertha Shull, Mrs. Violet Staveland and Mrs. Mildred Kerns.

Thank Offering Service

The missionary societies of St. John's Lutheran Church held their annual thank offering service on Sunday at 10:15 a.m. Dr. Ruth Myers, Baltimore, now on furlough as a medical missionary to India, was the guest speaker. Dr. Myers told the large congregation that it was first through the help of medicine that the interest in Christianity started in India. The thank offering was received. During the service, the pastor, the Rev. William C. Karns, baptized Janice Louise Bair, daughter of Theron Monroe and Marguerite (Yealy) Bair, near town. The child was born August 28, 1956.

The November meeting of the Ever Willing Class of St. John's Church has been postponed from Tuesday to Wednesday evening, 7:30 p.m., at the church. Mrs. Shirley Renner will be hostess.

MARTIN URGES UMT FOR NATION

GREENSBURG, Pa. (AP)—Sen. Edward Martin (R-Pa.), former National Guard commander in Pennsylvania and a veteran of both World Wars, said today the U. S. should immediately institute a program of universal military training.

In a prepared speech for a Veterans Day celebration here, the veteran legislator said America must be prepared militarily if it is to avoid "another and more terrible World War." He declared: "I believe that the best way to attain military preparedness is through the maintenance of a comparatively small but highly trained professional military establishment, supported by a large body of trained citizen-soldiers in reserve status."

We should proceed at once to create a system of universal military training, without exception except for physical or mental reasons and sincere conscientious objections. Universal military training would be fair. It would divide equally the responsibility for national defense. All would have a part in it. It would encourage further service in the regular Army, National Guard, Reserves and in technical and professional work. It would teach all of us the real meaning of America and our way of life."

Bullets Nip Temple 13-7 As Fumbles Halt Opportunities For Both; Hailey Races 97

Gettysburg College dropped Temple 13-7, Saturday at Philadelphia for its sixth straight win a game marred by 14 fumbles.

Don Hailey's brilliant 97-yard kickoff return to give the Bullets their first score at the beginning of the second half was the key play of the game as both teams waged fine defensive battles.

Gettysburg's strong defenses limited Temple to a net of 39 yards rushing, which makes 157 yards that the Bullets have given up rushing in the last six games.

The game was played on a cold windy day that probably accounted for the many fumbles. Gettysburg fumbled eight times, lost the ball three, while Temple fumbled six times and gave up the ball on three of them.

Bullets In Letdown
It was a good game for Gettysburg to get out of its system. Coach John Yovisich's charges had seemingly improved with each game this season, and they were due for some kind of a letdown. The letdown came against Temple as the Owls threw an unorthodox four-four defense. Many times the Bullet backs stumbled over their own blockers.

Temple won the toss and elected to kickoff. Charters booted the ball into the end zone and Hailey watched it until two opponents were almost upon it. Hailey recovered from his "freeze" just in time to cover the ball and prevent a Temple touchdown.

On four tries, Gettysburg could gain but five yards and Capitani punted to the middle field. O'Shea hit left tackle for one and Thompson tried the other tackle for two. It was here that Jed Lankitus, fading to pass, spotted Ron Rowe wide open at the 35 and tossed to him. Rowe did the rest as he went into the end zone in 3:35 of the first quarter. Jack Charters added the extra point.

Muff Opportunities
Those seven points looked big by the end of the half as neither team could score. Gettysburg received its first chance early in the second quarter. It was the Bullets ball, first and ten, on the Temple 31 following Hailey's 12-yard punt return. A five-yard penalty and another fumble nullified any offensive Gettysburg could muster and Temple took over on its own 26.

Thompson obliged by fumbling on the second play, and Don Harmon, who played a fine game, recovered on the Owls' 34. An incomplete pass was followed by an 8-yard loss when Stravolo was hit while attempting to pass. A screen pass, chucked to Frank Capitani, carried to the Temple 5, but the Bullets were unable to take advantage of it and the Owls took over on their own 8.

Temple showed its best form of the afternoon as it drove up the field to the Gettysburg 36 before the Bullets braced and forced the home team to punt.

In the third quarter Gettysburg threatened to make a rout of the game as Hailey returned the opening kickoff for 97 yards and the first score. Lichtenfeld's placement hit the left goalpost and Temple still led, 7-6.

Bullets Go Ahead
Bill Ward pounced on another Owl fumble on the Temple 21. After two plays gained but a yard, Heverly and Capitani combined on a screen pass which carried to the Temple 3. Heverly sneaked to the 1 on the first play, but a fumble on the next moved the ball back to the 2. On two more sneaks, Heverly scored. Harry Binger added the extra point.

The Bullets were on the move again the next time they got the ball. Hailey returned Lankitus' punt to his own 38. On the first play Yost went through right tackle and sprinted 19 to the Owl 43. Hailey picked up four but a fumble on the next play lost four. After the Owls were penalized to their 35 for defensive clipping, Heverly sneaked for a first down. A penalty cost Gettysburg five but Hailey got it back on the next play. Yost picked up four more through tackle. Heverly hit Bill Ward with a pass on the 14. Ward gaining possession while flat on his back. Capitani drove through to the six where he fumbled and Charters recovered for the Owls.

Temple Fumbles Chance
Coach Pete Stevens' lads threatened in the final quarter because of recovery of Gettysburg fumbles. Midway through the period, Palinsky recovered a Gettysburg fumble on the Gettysburg 21. The Owls could gain but four in two running plays but a penalty moved the ball to the Gettysburg 15. O'Shea drove through to the 3 but fumbled and Capitani recovered.

That was the ball game as Stravolo kept possession of the ball on five plays to gain a first down on the 14. After three plays gained but nine yards, Capitani punted out of bounds on the Temple 31. A Temple pass carried to the Bullet 35 but Gettysburg recovered a fumble on the next play and retained possession on Stravolo's sneaks until time ran out.

The Bullets end their season by meeting F. and M. at Lancaster Saturday.

BOARDMAN TO MEET DEMARCO TONIGHT IN N.Y.
By THE ASSOCIATED PRESS
Larry Boardman, a young light-feasts on champions, old or current, gets another crack at a former titleholder tonight in Philadelphia, where he boxes Paddy DeMarco of New York.

Boardman already has beaten ex-champ Wallace (Bud) Smith and Jimmy Carter and owns a nontitle decision over Sandy Saddler, the feather king. Rated the hottest thing in the division with a No. 1 ranking by the national Boxing Assn., Boardman is expected to take care of DeMarco.

Randy Sandy of New York and John L. Sullivan, a willing gent from Preston, England, will do their stuff for the St. Nicholas Arena fans in New York in another show tonight.

Sandy's latest on his "come-back" was a decision over Al Andrews at Las Vegas Oct. 29. Sullivan was stopped by Rory Calhoun in eight rounds at Cleveland Oct. 12.

Du Mont will telecast to some regions.

Kenny Lane of Muskegon, Mich., and Frankie Ryff of New York, two men rated among the top 10 lightweights, meet Wednesday at Miami.

Bob Baker, still among the top 10 despite two defeats by Tommy (Hurricane) Jackson, returns to the Garden Friday for a bout with Harold Carter of Linden, N. J.

Joey Giardello has a Thursday date at Milwaukee with Charlie Cotton, the Toledo middleweight who beat him twice at St. Nicholas Arena in May. The Philadelphia contender, now ranked No. 3 by NBA, needs to get even with Cotton if he hopes to go higher.

The match, originally scheduled for Nov. 8, was set back a week to give Giardello more time to get ready. Now he'll go from the Cotton match into a Dec. 14 scrap with rugged Rory Calhoun at Cleveland.

HARRISBURG (AP)—A Harrisburg city employee, Paul Warner, 33, died in Harrisburg hospital Saturday of injuries suffered in an auto accident on U. S. 111 seven miles south of nearby Lemoyne Friday night.

Police said Warner was apassenger in a car driven by Robert Jackson, 37, also of Harrisburg. The car, they said, overturned and skidded almost 200 feet throwing both men to the pavement. Jackson suffered minor injuries and was discharged from the hospital Saturday.

N. O. Cath. Gridders Beat Brushtown 15-0

The seventh and eight grade football team of St. Mary's Grade School, New Oxford, beat Brushtown 15-0 Sunday afternoon to chalk up their second win of the season. The game was played on the Delone gridiron. They previously had beaten St. Vincent's of Hanover 33-7.

New Oxford jumped out in front with two touchdowns and an extra point in the first period. The second and third quarters were scoreless with most of the play being held to midfield. Near the end of the fourth quarter New Oxford put up a strong defense and caught Brushtown behind their own goal to rack up the final two points.

St. Mary's has a game scheduled with Paradise Protectors for next Sunday on the Delone field.

REDSKINS BEAT LIONS AS COLTS DEFEAT BROWNS

By JIM KENSIL
The Associated Press

The franchise shoppers reportedly hanging around the nation's capital these days apparently have spotted a good pro football buy.

Washington, like Pittsburgh and Philadelphia, has been the scene of reports of franchise offers from a Louisville, Ky., group, and yesterday the Redskins undoubtedly upped the price tag with a tough, but neat, 18-17 victory over the previously unbeaten Detroit Lions.

The result, coupled with the Chicago Bears' easy 38-14 romp over the visiting Green Bay Packers, left the Lions tied with the Bears for the National Football League's Western Conference lead. Both have 6-1 records with five weeks to go.

Giants Break Tie
The New York Giants broke a first-place Eastern tie with the Chicago Cardinals by smothering the Cards' trumpeted offense 23-10 in Yankee Stadium and avenging an early-season 35-27 loss at Comiskey Park.

That puts the New Yorkers at 6-1 and the Cards at 5-2, but looming before the Giants are games on successive Sundays at Washington, with the Bears at New York and again with the Redskins at New York. Washington, the team that put the initial stain on the Cards' record two weeks ago at Chicago, could make it up to the Cards with twin triumphs over the Giants. The Cards face only one more team with a winning record, the Bears Dec. 9 at Wrigley Field.

Eagles Whip Steelers

Those boys in the market for a franchise in Pennsylvania had little to get excited about at Philadelphia where the so-so Eagles whipped the lowly Pittsburgh Steelers 14-7. The Eagles, who like Washington have rebuffed franchise bids so far, are fourth in the East with a 3-4 mark behind Washington's 3-3. The Steelers, covered also by a Buffalo, N.Y., group and as yet uncommitted on a move, have a 2-5 slate, the same as the defending champion Browns.

Baltimore's third-place Colts, 3-3 in the west and the only team to knock off the Bears, stopped Cleveland 21-7 yesterday, and in a battle of west coast tallenders, the host Los Angeles Rams moved over to the cellar with a 3-6 victory over the San Francisco 49ers (1-6). The Rams are now tied for fourth with Green Bay at 2-5.

While the Cards and Giants are finished sniping at each other, the payoff meetings in the west are still to come. The Bears are at Detroit Dec. 2 and the situation is reversed Dec. 16.

HUNGARIANS' FLAG FLYING AT MELBOURNE

By MURRAY ROSE
MELBOURNE (AP)—The traditional flag of Hungary flew over the entrance to the Olympic Village today after the head of the Hungarian squad arrived in Australia and "requested" it be substituted for the Communist banner.

The four raise to six the number of teams that have finished regular season play without defeat. Corry, the Sect. II champion, and St. Clair, leader of the southern division Eastern Conference, finished their unbeaten seasons earlier.

The only other all-winning team in the state, Lower Merion, added its 30th game without a loss over the weekend, edging previously unbeaten Haverford 12-6 to take its third consecutive crown in the Suburban Philadelphia League.

Finishing their regular seasons unbeaten-untied were Jeannette, Sharon, Charleroi and Ambridge, all members of the WPIAL AA. A playoff is now necessary to determine a successor to Aliquippa in the conference.

3 Unbeaten Teams Lose

Three previously all-winning teams were knocked from the select group over the weekend—Farrell, 12-0 by Sharon; Wilkes-Barre, 12-0 by Sharon; Wilkes-Barre, 12-0 by Sharon; Wilkes-Barre, 12-0 by Sharon.

The Suburban Philadelphia League was one of three conference titles definitely decided over the weekend. Coal Twp.'s 41-21 win over Berwick gave it the Keystone League crown and Pittsburgh Westinghouse repeated as city league champ by whipping Carick 20-0.

In the Eastern Conference, St. Clair and Swoyersville appeared almost certain to take honors in the conference.

WESTERN PA. CLASS A TITLE TO BE DECIDED

JOHNSTOWN, Pa.—A game tonight between two high schools already out of contention will determine the Class A champion of the Western Pennsylvania Football Conference.

If Punksutawney defeats host Du Bois, Indiana takes the title. If Du Bois beats or ties Punksutawney, Tyrone automatically becomes champion. Both contenders have finished their seasons.

Tyrone is No. 1 in the standings with 493 ratings points on its 9-1 conference record. Close behind is Indiana (5-0) with 490 points. Tyrone can't climb any higher, but it's possible for Indiana to finish with 500 points.

On Comparative Scores
The standings are based on comparative scores and caliber of opposition as well as won and lost records.

Tyrone vaulted from third place to first with a 20-7 victory over Hollidaysburg last Friday. It was Hollidaysburg's first loss against seven wins and one tie, and meant a drop from first-place tie with Indiana to the No. 4 spot.

Windber ranks third with a 3-0 conference record and 483 points, 13 more than Hollidaysburg, but didn't play enough league games to be eligible for the title.

South Fork unofficially won the Class B championship a week ago.

Official winners in each class will be declared Nov. 26 after conference officials certify the standings at a meeting in Altoona.

ADVERTISE IN THE TIMES

Canners Climax Big Season With 39-6 Win To Capture Laurel Title; May Scores 3

Biglerville climaxed one of its most successful seasons in history by adding the Laurel Conference championship to its record Saturday in drubbing Kennard-Dale 39-6 on the latter's field in the final game of the season. Under its new coach, Tom Faulkner, Biglerville, compiled a 7-1 record.

Jim May was the big gun for the Canners as he tallied three touchdowns and amassed 201 yards by rushing. Dick Byers, John Constable, and Dick Hartzell accounted for the other Canner scores.

The game was just two minutes old when May scored his first touchdown, circling left end from the 11 following a drive which had started on the Biglerville 43. Constable's kick for the point missed.

On-Side Kick Clicks
A successful on-side kickoff, recovered by Biglerville on the Kennard-Dale 47, quickly set up the second Biglerville tally as May broke around left end and went the entire way from that point. Constable kicked the first of his three extra points.

Biglerville started a drive from its own 31 near the end of the first period which finally wound up with Byers scoring from the 1-yard line on a quarterback sneak in the second period. Again Constable converted to make the score 20-0 at half time.

Midway in the third quarter the Canners added their fourth touchdown on a drive of 45 yards. A 20-yard aerial, Byers to Nelson Weber, placed the ball deep in K-D territory. May finally cracked through from the 2. Constable missed on his kick for the point.

Weber Intercepts
Biglerville hiked its lead to 33-0 with another third period score. Weber intercepted a pass to give the Canners the ball on their own 19 from where Coach Faulkner's outfit launched an 89-yard scoring drive. Weber whipped a short pass to Dick Hartzell on the 3 from where the latter went into the end zone. Constable converted.

Taking advantage of the presence of Biglerville reserves, Kennard-Dale finally broke into the scoring column early in the last frame. Gaining possession on their own 15, Kennard-Dale went the distance. Charley Godfrey reeling a pair of runs for 28 and 6 yards. Mann finally raced over on a 10-yard.

Heads Coal Township
In the south St. Clair's 25-0 victory over Cass Twp. last Monday gave it a 7-2 rating, just 23 points ahead of Coal Twp. both have finished their seasons and only major upsets among lowly rated teams could change the standings.

In the WPIAL AA weekend games Jeannette beat Greensburg, 14-6, Ambridge smashed Aliquippa, 53-13, and Charleroi crushed Redstone 47-25.

Elsewhere Carlisle assured itself of at least a tie for South Penn honors by beating Chambersburg, 32-13, and the Herd can repeat as champion if it beats Mechanicsburg this weekend.

Harrisburg John Harris remained in contention for Central Penn honors by beating Steelton at Steelton, a feat not often accomplished, 34-7. Williamsport, league leader and defending co-champion, took Altoona, 12-7, in an exhibition.

A Thanksgiving Day clash between Williamsport and Steelton will decide the title. But even that game will mean nothing if Harris loses to Harrisburg. William Penn in their traditional.

In the Ches Mont Conestoga remained in first place by whipping Phoenixville 34-7 but Pottstown remained in contention with a 52-0 victory over Bridgeport. The title will be decided Thanksgiving Day.

In other games Bethlehem and West Scranton played to a 20-20 tie, Lebanon surprised Easton, 18-12, Milton Hershey beat Lancaster, 21-0, and William Penn edged Reading, 20-19.

Constable On Long Run
A 96-yard run by Constable set up the sixth and final Biglerville touchdown late in the game. After the Canners had taken possession via a punt on the Biglerville 15, a 15-yard penalty set them back to the 1. Constable then broke away on his long dash only to be knocked out of bounds on the 3 by Ecker. On the next play Constable went the remainder of the way.

NAME COUNTIAN IN DAMAGE SUIT

Seeking to shift the blame for a two-car accident near Blue Ridge Summit on the evening of March 19, 1955, from himself to drivers of two other cars, Carl Henry, of Charnian, has named the other motorists — Wallace S. Bentz Jr., of Waynesboro, and Freeman Wills Jr., of Greenstone — as additional defendants in a trespass suit pending in the Franklin County courts at Chambersburg.

In naming Bentz and Wills as additional defendants, Henry has also filed a bill of complaint through which he seeks collection of \$6,780.60 damages for himself as a result of the crash.

The matter was first docketed on Sept. 14 when Ethel B. Gladhill and her husband, Harry Gladhill, of Greenstone, filed a trespass action against Henry asking damages in the amount of \$40,012.07. A passenger in the Bentz car, Mrs. Gladhill suffered severe injuries when the car was involved in a collision with the Henry car.

In bringing in Bentz and Wills as additional defendants in the suit filed by the Gladhills and in asking damages in his own right, Henry avers through his bill of complaint that Bentz and Wills were responsible for the accident. The Wills car, he claims, entered the Blue Ridge-Greenstone highway from a private driveway into the path of oncoming traffic and caused or contributed to causing the collision. He charges that the Wills car failed to yield the right of way and that Bentz was operating his car too fast for the safety of others on the highway.

The \$6,780.60 damages asked by Henry is for reimbursement for medical expenses, for permanent injuries, for damages to his car and personal effects and for \$882 lost in wages while he was hospitalized and convalescing.

Littlestown Truck Driver In Accident

Albert Myers, 69, Spring Grove R. 1, escaped injury when the car he was driving was involved in a collision with a tank truck of the Wentz Oil Service, Hanover operated by William B. Menges Jr., Littlestown R. 2, about 4 p.m. Saturday in Hanover.

Police say that Myers pulled from the curb into the lane of traffic as the truck approached from the east. The truck was not damaged. Police estimated damage to Myers' car at \$60.

2 NEGRO WOMEN

dressed by Dr. Marion Cuthbert, negro professor of sociology, Brooklyn College, and a member of the World Council of the YWCA. "We are here discussing a topic like this because our country has taken a great step. The Supreme Court has said 'things are like this in this country, the Constitution says free and equal; now face it.' The YWCA faced it and solved it years ago by making no distinction as to color or race. A great deal is moving forward in the world, although we can't always see it. The negro group, the white group, the United States itself are no longer what they were and it is no longer possible to have separate but equal privileges. The United States is full of people who are well-intentioned toward other groups."

"What do I think and what do I read? How willing am I to live in a free world, or what do I balk at?"

Urges Mental Help
She discussed the need for "mental help for the Negroes as well as the whites, because it is the unbalanced individual who makes the trouble. We have to look into every head everywhere to keep up with the times. The only real help is association, the white people learning to know the black people better. Things are not getting out of hand but into a better realization of a better association and a better Christianity."

Mrs. Robert Fortenbaugh, vice president of the Y board, in the absence of Mrs. John S. Rice, president, who is in Florida, spoke briefly in welcoming the delegates who were entertained at tea in the dining room. The rooms were decorated with flowers presented by Mrs. Rice and Murray's Greenhouse and the tea table was festive with a double cornucopia arrangement of fall fruits and flowers arranged by Mrs. P. Miss Elise Moller, a member of the National Field Staff for the Eastern Region of the YWCA and a frequent visitor here, spoke on legislation being considered on juvenile delinquency and gave the young women a sheet of instructions on how to study bills and how to express their opinions to their representatives.

At the close of the formal session open house was held until midnight with a committee headed by Mrs. Edith Bushman in charge.

Sunday morning, following breakfast at the Hotel Gettysburg, Morning Watch was conducted in the dining room by the Scranton delegation. The music was in charge of Mrs. Buehler and Philip Maguire. The officers were installed at a candle ceremony, following which visitors attended the churches of their choice. They were conducted by members of the Annie Danner Club under the direction of Mrs. Harry Baker.

Dinner at the Hotel Gettysburg closed the conference. The young women were loud in their praises of Gettysburg and its hospitality and said they felt "the President made a good choice for a homesite."

She concluded the first half of the program with Menotti's aria, "The Black Swan" from "The Medium."

The audience was pleased with several piano solos presented by Miss Ledesma which opened the second part of the concert. She played Leschetizky's "Two Larks" and "Dedication." As an encore she played a composition by her sister, "Melody in E Flat."

The young singer concluded the concert with a group of popular Spanish airs including Falla's "El Pano Moruno," Granados' "El Majó Discreto" and Obradors' "Del Cabello Mas Sutil." Concert goers were delighted when she substituted "Granada" for Valverde's "Clavelitos."

"The Habanera" aria from "Carmen," which Miss Gaston sang in her first New York City opera in 1949, pleased the local crowd. Recalled by the applause Miss Gaston sang an additional selection from the opera "Since we are in a Carmen mood," she explained. She was brought back three more times and sang "Make Believe" from Show Boat, "All the Things You Are" and "I'll See You Again."

During an interview after the concert the artist said she will spend next year in Europe. Born in Lillo, Philippine Islands, she grew up in Manila and attended the University of Manila and the Conservatory of the Philippines.

The two artists will leave for a concert in Ohio this evening but not before "driving by President Eisenhower's farm today," they explained.

VETERANS' DAY

(Continued from Page 1)
and the color guard from Post 15, VFW.

Welcomed By Burgess
John A. Zimmerman, commander of the local camp of the United Spanish War Veterans, headed the parade in an auto.

At 4 o'clock Past Commander Hafter presided at the public program held at the VFW home. The invocation was given by the Rev. Fr. David W. Shaum, of the faculty of Mount St. Mary's College. Commander Strohm led the pledge of allegiance.

Burgess William G. Weaver welcomed the group on behalf of the

town. Following several college songs and a spiritual by the Glee Club of Mt. St. Mary's, Attorney John A. MacPhail, commander of the Albert J. Lentz post, expressed "the congratulations of the American Legion to the VFW for this splendid observance. For far too long we have passed over this holiday. The peculiar significance of Armistice Day, which has become Veterans' Day, is the memory of the Unknown Soldier. We ask that this program be continued annually that we may not lose sight of what has gone before."

Musser Speakers
Brief comments were made by Eugene Weishaar, commander of the Catholic War Veterans, and John Zimmerman, commander of the United Spanish War Veterans, before the second appearance of the Glee Club.

State VFW Adjutant Musser told the group: "Armistice Day, now Veterans' Day, recalls an unpleasant truth, that nations are born on battlefields and live only so long as they can defend themselves."

"That is what Veterans' Day, once Armistice Day, is all about. That so far about 1,000,000 men have died, from the Revolution to the Korean action, that we might have liberty. They died young that we might grow old. Veterans' Day should be one of our most important holidays. It should point up what has been done and what should be done concerning America's posture in case of attack. We should have universal military training so that all our men will be ready in case of need to defend our country."

"Today we salute the brave people of Poland and Hungary. They are today demonstrating the truth of Jefferson's axiom, that 'the tree of

liberty, from time to time, must be refreshed by the blood of patriots and tyrants.' And because this seems one of those periods, our nation finds it more necessary than ever to keep its powder dry and its vigilance unflinching. Patience, strength and vigilance should be our watchword as we in the free world watch an eruption in the jail world."

Need For Strength

Rev. Fr. Louis S. Dougherty, past state Catholic War Veterans chaplain and superintendent of the Paradise School for Boys at Abbottstown, said: "It is fitting that Armistice Day should be changed to Veterans' Day, for Armistice Day marked the end of a war that was to end all wars and make the world safe for democracy. But since then we have fought World War II and

the Korean War and today we are as close as we can get to war and not be in one. Today we should examine our consciences on what we have done to keep the strong ideals for which we have fought. It is not enough to speak of keeping our nation strong. We must keep our individuals strong. In the Korean War we found 20 of our soldiers who went over to the Communists.

We found in each case they had come from homes where there was no religious training."

The program concluded with benediction by Father Dougherty and the singing of "God Bless America" by the choir.

The committee in charge of the observance was Arthur J. Roth, John W. Roth and Acie T. Marksberry.

CLARK IS MAN WITH PASSION FOR "GOOD GOVERNMENT"

PHILADELPHIA (AP) — Pennsylvania's new senator, Democrat Joseph S. Clark, took up politics in earnest when, in his words, he found the practice of law "had no spiritual reward."

A onetime Republican, he is described by close associates as a man with a passion for good government.

Clark, himself, says his goal is primer simple — "service in government."

Defeated Duff With an election campaign text no more complex than that, the 53-year-old Clark defeated Republican Sen. James H. Duff, a veteran in politics endorsed by President Eisenhower. Alone among the Democratic statewide candidates in Pennsylvania, Clark created the tide of Eisenhower popularity.

During the campaign Duff made much of Clark's patrician upbringing, asserting that the Democratic candidate was a rich man pretending that his heart bled for the poor. For all his identification as a member of a well-to-do family, Clark drew much of his strength from labor and from regions,

such as the hard coal fields, labeled depressed areas. Clark did not attract national attention until 1951, when he became the first Democratic mayor of Philadelphia in 68 years.

He came into focus as a nervous, tireless type, with a zeal for civic reform and a sense of humor and an idiomatic philosophy which he fit in very well with his Harvard schooling. He talked integrity in public office, made the City Hall slogan, "good government is the best politics," came to grips with party bosses when he felt they were trying to compromise principle.

Behind the high reputation that Clark earned in four years as mayor were many less rewarding years on lower levels of political activity. He returned from World War II service in India, with the rank of lieutenant colonel, and within a few years was in the thick of a movement to revitalize and reshape the city government. He left the Republican party in 1928 because, as he said later, "it was better to be a right-wing Republican than a left wing conservative."

Was Deputy Attorney General Clark's fight against what was generally regarded as a malodorous Republican rule rose to a climax from 1947 to 1951. In 1947 he backed Richardson Dilworth for mayor, a job Dilworth now holds. Dilworth lost but Clark had shaken his opponents. In 1949 Clark ran for city controller, Dilworth for city treasurer, and won with thumping majorities.

Paper Refuses To Pay Towing Charge

ASHLAND, Ky. (AP) — A subscriber of the Ashland, Ky., Independent complained last week the paper should pay the towing charge for his automobile.

The man said his paper boy failed to leave him the Wednesday edition and he didn't see the notice that the city would clean the street in front of his home that night and tow away parked cars.

The paper refused to pay the \$3 bill, saying the city didn't depend upon the newspaper notices about street-cleaning schedules.

DEATHS

By THE ASSOCIATED PRESS

OTTAWA (AP) — Percy J. Philip, 70, retired foreign correspondent of the New York Times, who served in Europe for 20 years and was the Times' Ottawa correspondent for 13 years, died Friday. He was born in Scotland.

CLEVELAND (AP) — William B. Montague, 58, widely known in the advertising field, died Friday.

TYLER, Tex. (AP) — Bobby Manziel, 49, an oilman, a partner in the building of the million-dollar Manziel Coliseum in Tyler, died Friday.

DETROIT (AP) — Mrs. Fred T. Murphy, 78, longtime Detroit civic and social leader, and mother of Fred M. Alger, ambassador to Belgium, died Friday.

WASHINGTON (AP) — The Scott Paper Co. of Chester, Pa., on Friday denied charges in a Federal Trade Commission complaint that the company violated the anti-trust laws in buying three other plants.

The three companies acquired by Scott are: Soundview Pulp Co. of Everett, Wash.; Detroit Sulphite Pulp and Paper Co. of Detroit, Mich.; and Hollingsworth & Whitney Co. of Boston, Mass.

fort, in and out of office, to "get the people of Philadelphia aroused." Clark's political performance has included a stint as deputy attorney general of the state in the mid-30's.

As might be expected of a top trial lawyer, Clark is an effective public speaker, if not a resounding orator.

In 1960 Picture Tall and thin, he was made for the easy, casual, tweedy clothes he prefers, even on the job. Some people consider him an odd mixture of gaiety and grim intensity.

Many of his adherents believe Clark will serve so ably in the Senate that Democratic policymakers in 1960 may think of him as a likely choice for the vice presidency at least.

ROCKET-POWER ESCAPE SEATS FOR JET PILOTS

SAN DIEGO, Calif. (AP) — A rocket-powered escape seat for pilots of supersonic jet airplanes was described today as promising them a chance to survive even in ground-level ejections.

Convair Division of General Dynamics Corp. reported tests of the rocket seat, as part of a multi-million-dollar program by the Air Force and aircraft industry to develop a standard upward pilot escape system.

The rocket seat "for the first time gives the pilot a good chance of ejecting safely from ground level in case of an emergency on takeoff or landing," said John G. Kalogetis, Convair test engineer.

Produced For Convair

The test ejections were made from a rocket-propelled sled moving on tracks at Edwards Air Force Base, Calif. A Convair TP192A trainer jet cockpit was used on the sled.

Even at 590 miles an hour, the rocket carried the dummy pilot clear of the trainer's vertical fin and 60 feet above it.

At 240 miles an hour sled speed, the seat was ejected 124 feet into the air. It automatically separated from the dummy, which then was parachuted undamaged to earth.

The rocket ejection seat was produced for Convair by Alco Engineering Co., Inc., Hamden, Conn.

WASHINGTON (AP) — Certain Republican political defeats in the West have prompted top officials to take a "long, hard look" at the Eisenhower administration's power and natural resource policies.

An official who disclosed this yesterday said the review — "set in motion at the vice presidential and cabinet level" — is aimed at determining whether policy changes are in order.

HARRISBURG (AP) — Two Pennsylvania milk dealer associations Friday urged the State Milk Control Commission to enforce regulations preventing illegal milk price discounts by some wholesalers.

"We sincerely feel that without an efficient enforcement program, no milk control law can long stand," declared Henry R. Geisinger, executive vice president of the Pennsylvania Assn. of Milk Dealers.

His position was backed up by John Martin, counsel for the Philadelphia Milk Dealers Assn.

Admits Attack On Former Pa. Woman

DENVER (AP) — A Denver High School senior is being held for an attack on Miss Nancy Snider, 30, formerly of Jenkintown, Pa., a Montgomery County suburb of Philadelphia.

Detective Capt. Clifford Stanley said on Friday that 19-year-old Culver Jay Murray admitted the attack on Miss Snider as she was en route home from work at the Patricia Stevens Finishing School last Wednesday night.

Stanley quoted Murray as saying he struck her on the head, forcing her to the pavement. She was reported in critical condition due to a fractured skull.

No formal charge has been lodged against Murray. Authorities said he had a record of eight previous attacks on women.
